

From the Beggs Police Department

We are proud to announce some big changes here at the Beggs Police Department. By adding these new officers, we can provide 24/7 police coverage for the City of Beggs, ensuring a police presence around the clock, allowing for faster response times.

The new officers' names are as follows:

Interim Chief of Police, C. Ramsey.

Patrol Officer, D. Gilbert.

Patrol Officer, C. Hurt.

Patrol Officer, M. Hendrix.

Patrol Officer, J. Greenwood.

Patrol Officer, D. Jay.

To better serve and protect our community, we have started updating outdated equipment. We have recently added new body cameras to improve transparency and safety for both citizens and officers. We are also hitting the streets in a newer white Ford Explorer.

Thank you for your continued support as we work together to build a stronger and safer Beggs.

C. Ramsey
